

الوظيفة

1

اللَّهُمَّ صَلِّ وَسَلِّمْ بِجَمِيعِ الشُّؤُونِ فِي الظُّهُورِ
وَالْبُطُونِ

In the name of Allah Most Merciful and Compassionate: O Allah, bless and give peace, in all matters, outward and inward,

الوظيفة

2

عَلَى مَنْ مِنْهُ انْشَقَّتِ الْأَسْرَارُ
الْكَامِنَةُ فِي ذَاتِهِ الْعَلِيَّةِ ظُهُورًا

to him from whose exalted, entity secrets were sundered to be manifest;

الوظيفة

3

وَأَنْفَلَقَتِ الْأَنْوَارُ الْهِنُطَوِيَّةُ فِي سَمَاءِ صِفَاتِهِ السَّنِيَّةِ بَدْرًا

And the lights enfolded in the sky of his sublime attributes burst forth like full moons;

الوظيفة

4

وَفِيهِ ارْتَقَتِ الْحَقَائِقُ مِنْهُ إِلَيْهِ

In whom ultimate truths arose, from him unto him;

الوظيفة

5

﴿ وَتَنَزَّلَتْ عَلُومُ آدَمَ بِهِ فِيهِ عَلَيْهِ ﴾ فَأَعْجَزَ كُلًّا مِّنَ
الْخَلَائِقِ فَهُمْ مَا أُوْدِعَ مِنَ السِّرِّ فِيهِ ﴾

And through whom the knowledges of Adam descended in him and upon him; The understanding of the mystery entrusted to whom has stymied all creatures;

الوظيفة

6

﴿ وَلَهُ تَضَاءَلَتِ الْفُهُومُ وَكُلُّ عَجْزُهُ يَكْفِيهِ ﴾
فَذَلِكَ السِّرُّ الْمَصُونُ لَمْ يُدْرِكْهُ مِنَّا سَابِقٌ فِي
مُجُودِهِ ﴾ وَلَا يَبْلُغُهُ أَحَدٌ عَلَى سَوَابِقِ شُهُودِهِ ﴾

And before whom all understandings dwindle, while the incapacity of each suffices it: That is the impregnable secret, which none of us before has ever realized in his existence, and none of us after can ever reach however powerful his gnostic vision.
