وَأَرَأَيْتَ بِنَا رَأْفَةَ الْحَبِيبِ بِحَبِيبِهِ عِنْدَ الشَّدَائِدِ  
وَنَزْوِلِهَا ۖ وَأَرْحَنَّا مِنْ هُوْمِ الدُّنْيَا وَغُومِهَا  
بِالسُّرُوحِ وَالسَّرِيمَانِ إِلَى الْجَنَّةِ وَنَعِيمِهَا ۖ

And show us the tenderness of a lover to his beloved, when there are calamities and they befall; And relieve us of the frettings of this world and its worries, with rest and sweet herbage until paradise and its beatitudes.

اللَّهُمَّ إِنَّا نَسْأَلُكَ تَوْبَةً سَابِقَةً مِنْكَ إِلَيْنَا  
لِتَكُونَ تَوْبَتُنَا تَابِعَةً إِلَيْكَ مِنَّا \* وَهَبْ لَنَا  
التَّلَقِيَّ مِنْكَ كَتَلَقَيْتُ أَدَمَ مِنْكَ الْكَلِمَاتِ \*

O Allah, we ask Your prior forgiveness from You to us, that our repentance may follow to you from us. And bestow on us direct teaching from You as You taught Adam the words

وَأَجْعَلْ سَيِّئَاتِنَا سَيِّئَاتٍ مِّنْ أَحَبَّبْتَ ❁ وَلَا تَجْعَلْ حَسَنَاتِنَا حَسَنَاتٍ مِّنْ أَبْغَضْتَ ❁  
فَالْإِحْسَانُ لَا يَنْفَعُ مَعَ الْبُغْضِ مِنْكَ ❁ وَالْإِسَاءَةُ لَا تَضُرُّ مَعَ الْحُبِّ مِنْكَ ❁

And make our bad deeds those of whom You love, not our good deeds those of whom You hate. For goodness is bootless with Your hatred, and badness is harmless with Your love.

وَقَدْ أَبْهَمْتَ الْأَمْرَ عَلَيْنَا لِنَرْجُوَ وَنَخَافَ ۖ فَأَمِنْ  
خَوْفَنَا وَلَا تُخَيِّبْ رَجَاءَنَا وَأَعْطِنَا سُؤْلَنَا ۖ

You have obscured the matter from us that we might hope and fear, so protect us from what we fear, and dash not our hopes, but give us what we ask;

فَقَدْ أَعْطَيْتَنَا الْإِيْمَانَ مِنْ قَبْلِ أَنْ نَسْأَلَكَ ❁  
وَكَتَبْتَ وَحَبَّبْتَ وَزَيَّنْتَ وَكَرَّهْتَ وَأَطْلَقْتَ  
الْأَلْسُنَ بِمَا بِهِ تَرَجَبْتُ ❁

For You have given us faith before we asked You; And have inscribed, and made beloved, and made seemly, and made repugnant, and have moved tongues with what they expressed.

So how great a Lord You are; and all praise be to You for the blessings You have bestowed; So forgive us, and punish us not with loss after having been given, or being ungrateful for blessings or debarred from contentment.

اللَّهُمَّ رَضِّنَا بِقَضَائِكَ وَصَبِّرْنَا عَلَى طَاعَتِكَ وَعَنْ  
مَعْصِيَتِكَ وَعَنِ الشَّهَوَاتِ الْمَوْجِبَاتِ لِلنَّقْصِ أَوْ الْبُعْدِ عَنْكَ

O Allah, give us acceptance of Your destiny, and patience to do obedience, and avoid disobedience and desires that entail decrease or remoteness from You.
