

# Make a Kite

This kite will take you about two minutes to make, but you can have endless fun with it!

To make it, you will need:

A Sheet of Paper (8 ½" x 11 will do)  
Bamboo Skewer  
Clear Tape  
Cotton String  
Safety Scissors (to cut string)  
Hole Punch  
Party Streamers (optional)

Instructions:

1. fold your paper as shown in the picture:
2. Snap the bamboo skewer in half so that it is short enough to run across the widest part of your kite.
3. Stick the bamboo skewer in place using tape.
4. Hole-punch the underside of the kite and attach your string.
5. Add party streamers and decorate your kite.
6. Time to fly!
