

Do you accept me,  
Do you accept me?  
A sinning servant,  
My pain has increased  
Standing in humiliation  
Waiting before the door  
By Allah I fear  
That you will throw me out  
I fear my sins  
And my ever-increasing flaws  
From everything I have said  
Save me  
I wish to meet you  
I sacrifice my soul for your sake  
My soul aim is to appease you  
So give me glad tidings  
And I seek connection with  
All the great ones  
No sayer has said  
Do you accept me  
Allah, send Prayers and blessings upon the teacher  
Master of every art
