

I Am Your Guest, O Messenger of Allah

I am your guest, O Messenger of Allah

I am your guest, O beloved of Allah

O intercessor, of noble standing

I am your guest, I am the guest of Allah

Tell me to go perform the hajj

I have performed it, obeying and striving

I am entering into the house, calling

“ I am your guest, O Messenger of Allah”

And in the quarter of Isma'il we supplicated

And in the shrine of Ibrahim we prayed

And from the Well of Zamzam we filled [our water]

I am your guest, O Messenger of Allah

I am entering the Ka'ba in obedience

Renewing my repentance to my Lord

And I saw the light, it moved my heart

I am your guest O Messenger of Allah

O beloveds, send blessings upon the one who guides

With verses of both the one who is hidden and the one who is apparent

If only you heard Gabriel call,

I am your guest, O Messenger of Allah
