

Ya Rabbi bil Siddiq

O our Lord, by the Siddiq, or ancient liege lord,
Who encompasses all splendor, beneficence, and true knowledge,
Give us relief, O Lord of the throne, in all our difficult matters,
And be gentle with us, O our Lord, in every state.
O my Lord, grant our gathering a revealing of the veil
And give us in our works for you a pure drink
And make for us an opening in our learning, the best of doors
And conclude our lives well, O Lord of the lords.
