

Ya Rabbi bil Siddiq

O our Lord, by the Siddiq, or ancient liege lord,  
Who encompasses all splendor, beneficence, and true knowledge,  
Give us relief, O Lord of the throne, in all our difficult matters,  
And be gentle with us, O our Lord, in every state.  
O my Lord, grant our gathering a revealing of the veil  
And give us in our works for you a pure drink  
And make for us an opening in our learning, the best of doors  
And conclude our lives well, O Lord of the lords.
